## UNIFORM POLICY

**Students should adhere to the following guidelines concerning the wearing of the school uniform.**

1. Students at Atlanta Achievers Academy start wearing school uniforms once they transition into the Pre-K2 class.
2. Students must be dressed correctly in uniform Monday through Thursday of each week. Students do not have to wear uniforms on Fridays.
3. T-shirts worn under the uniform shirt must be plain white so that nothing shows through. No colored shirts, letter shirts, turtlenecks, or other visible garments may be worn.
4. Black hard-bottom shoes are the only shoes permitted. Girls should wear Mary Jane-style uniform shoes. Tennis shoes and boots are NOT permitted.
5. Girls may only wear burgundy socks, tights, or stockings. Styles may include dress crew or knee-high. Students cannot wear decorative socks or socks with ruffles. Girls are not permitted to wear long pants under the uniform dress (not even during cold months). Boys may only wear black socks.
6. All students, Pre-K2 and up, must wear a uniform tie.
7. The only sweater allowed is the burgundy uniform sweater cardigan, which must display the school embroidered logo. Students cannot wear any other sweater/jacket in the building throughout the school day.
8. Please note that girls' and boys' sweater cardigans are different. Girls wear the crew-neck cardigan, and boys wear the V-neck cardigan.
9. The blazer and sweater vest are optional, but if worn, they must display the school embroidered logo.
10. Students must wear the P.E. uniform and athletic sneakers to participate in P.E. class. Shoes such as Converse, Vans, Crocs, etc., are inappropriate for P.E. class. Please note that specials typically begin the first week of September, and P.E. uniforms must be bought before then.
11. Students will be charged a fine for each out-of-uniform occurrence.
